Dear Lions

Your club was kind enough to donate to the scholarship fund of the St. Thomas Rotary Festival for this year. A Brass Quintet from Aylmer named "5-Alive" was awarded that scholarship. We wish to thank you.

Scholarships are usually used for the enhancement of musical knowledge in the form of additional lessons; however we are a 'rag-tag' group of five individuals, ranging in age from 30 to 82 who just enjoy playing music. We are not sure we would benefit greatly from additional lessons. Print music and good arrangements are costly. We will use your scholarship funds to purchase good quintet arrangements.

Possibly your club would be interested in a performance evening. We have a variety of styles from Dixie land to religious. We would be able to provide an hour of entertainment.

Thanks again.
